

Progress Report: East Lyme's Overlook Park

R.S. De Santo, East Lyme Public Trust Foundation, Inc.

Have you noticed the black security fence you can see from Route 156 being put up along Overlook Park? Look over the railroad toward the beach where work began in early August to install ornamental security fencing along portions of the eastern half mile of the Overlook Park walkway.

The eight foot high panels are anchored to the top of the retaining wall which separates the railroad from the Park. The fence is needed along the wall where that wall is not high enough to prevent pedestrians from climbing over it and on to Amtrak property.

The photograph above was taken on August 30, 2012, and shows a section of this security fencing under construction at railroad Mile Post 116.36, approximately opposite Mermaid Liquors Inc., 125 Main Street (Route 156).
